

WILLIAM PATERSON UNIVERSITY

University Profile

Welcome to William Paterson University!

Public university located in Wayne, New Jersey

www.wpunj.edu

William Paterson University (WP) is a leading, public, comprehensive university dedicated to the success of students. WP offers a supportive and challenging environment that encourages students to push themselves, gain confidence, and come away with the knowledge that remarkable things are within their reach.

WP Highlights

- 10,052 students (216 international from 64 countries) (70% undergraduate/30% graduate)
- More than 30 STEM-designated programs
- Undergraduate and graduate academic programs are offered through four colleges: Arts, Humanities, and Social Sciences; Cotsakos College of Business; Education; and, Science and Health
- Distinguished faculty including 41 Fulbright Scholars and recipients of numerous other awards, grants, and fellowships
- Numerous research, internship, and clinical experiences
- International student scholarships are available

LOCATION

The campus is set on 370 wooded acres (150 hectares) in suburban Wayne, New Jersey and is located just 32 kilometers from New York City, and a few hours drive from Boston, Philadelphia, and Washington D.C.

Northern New Jersey's climate is temperate with four seasons including hot sunny summers, snow in winter, and the beautiful colors of spring and fall.

“At William Paterson, I’ve embarked on an extraordinary journey of discovery, immersing myself in new passions and becoming part of a dynamic community. Though I sometimes feel the ache of missing my family, the deep connections I’ve formed here have crafted a profound sense of belonging that truly feels like home.”

Campus Life

More than 100 clubs and organizations are offered, including academic, international, civic engagement, and social clubs along with fraternities and sororities. Students can also get involved in performing and visual arts programs (music and theater), civic engagement activities, and recreational activities. WP has a Sports & Recreation Center, Fitness Center and swimming pool for recreational use by students.

The WP Pioneers compete in NCAA Division III sports as members of the New Jersey Athletic Conference. International students are welcome to try out for WP's athletic teams, and must register with the NCAA as part of the process.

Men's
Baseball
Basketball
Football
Golf
Rugby (club sport)
Soccer
Swimming & Diving

Women's

Tennis
Volleyball

31
club sports and intramural activities

Residence Halls

First year students have guaranteed housing and are required to live on campus for their first two years, with exceptions following a review. Most halls are "suite-style" with a bathroom connecting two separate rooms (mostly doubles). Amenities include study lounges, network access and laundry facilities. Dedicated graduate and upper class housing is available in apartment-style housing with two double rooms, living room/kitchen area and bathroom. Students living on campus are required to purchase a meal plan except those living in apartments.
